

Seasonal Camping Info

Dear Customer:

Thank you for your interest in becoming a Seasonal Camper here at Cedarlane RV Park! To acquire a seasonal site for the 2013 camping season, please call us to make an appointment to view available seasonal sites beginning November 1, 2012. These available sites are first-come-first-serve, depending on trailer size, so please know that the longer you wait to call, the less likely we will have a site for you. To make the process of finding a site for you easier, please fill out the bottom portion of this page and return it to us ASAP. We will keep it on file for when you call this fall. We look forward to working with you.
