PARK RULES

The use of firearms or fireworks *including sparklers* is strictly prohibited in the park. Violation of this rule could mean your immediate removal from the park without refund.

Campsite A maximum of 6 persons, 1 camping unit and 1 vehicle is permitted on 1 registered campsite. For tent policy, see section below marked Tents. Persons under the age of 21 are required to have a parent or legal guardian in the park while using park facilities. Check-in for all campsites and rental units is between 1pm and 10pm. With our security gates, we are unable to accommodate check-ins after 10pm. As park amenities expire at noon on your departing date, all persons and camping units must vacate both the site and the park prior to noon. Camping is a great outdoor experience; therefore, we do not give refunds due to the discomforts of nature, illness or work schedule. This includes no shows or unused nights.

Tents In addition to your main camping unit, we will allow 1 tent with a base measurement of no more than 5' and/or not taller than 42" for children as long as a parent also occupies the tent. This permission is not intended for a second family or adults staying with the registered camper. The tent must follow State setback requirements as follows: 5' from the main camping unit; 15' from the sides of neighboring units; 10' from the end of an adjacent unit; and, 10' from park roadways. The children's tent must be registered at time of check-in and properly tagged.

Carpets/Clotheslines Clotheslines kill trees; please remove them after each use. Carpets kill grass; we would appreciate if they were not put down. Keep our park green!

Pets Pets are welcome; but there is a breed restriction, please call. Pets may not be left alone or unleashed at campsites. Owners must clean up after their pets, including in the pet-walk areas which are located on your site map. Pets are not permitted in any Cedarlane rental unit, restroom/shower house, camp store, or in the swimming pools or playground areas-this is a County Health Department Regulation. Pets must be registered at time of check-in.

Campfires/Picnic Tables/Trash Each campsite is provided 1 picnic table and 1 fire ring. Campfires are permitted only in the fire rings and must never be left unattended. Please do not move fire rings and never burn trash in them. Trash must be bagged and taken to the dumpsters located throughout the park.

Waste Water Gray and/or black water is not permitted to run onto the ground. It must be collected in a covered container and emptied at the various dump stations located throughout the park. Dishwashing is not permitted at on-site water hookups or in any restroom/shower building. Please do not use restroom toilets or sinks to empty dishwashing water or discarded food.

Fish Cleaning Cleaning fish at campsites is prohibited. The fish cleaning building and dumpster are located in the back parking lot and are for the sole use of our camping guests. Please bag fish remains properly and discard only in the dumpster at the fish cleaning building.

Boats/Jet Skis Neither boats nor jet skis are permitted on campsites. They must be registered at time of check-in and assigned a parking space in our lot for an additional fee.

Security Gate Card Remember to turn in your gate card as you are leaving the park before noon to receive your \$10.00 deposit. If you plan to leave before the store opens, turn your card in the night before during posted store hours. If this procedure is not followed, the card automatically voids at noon and your deposit is forfeited. Deposits will not be mailed.

Store Hours/Night Office Please check the posted store hours. Before Memorial Day and after Labor Day, the open hours of the store are shortened. The night office at the main entrance to the park (white, 2-story house) remains open until 10pm. It is not open mornings before the opening of the store.

Quiet Time/Playground Please be considerate of your neighbors at all times by keeping noise to within hearing range of your own campsite. Our quiet time is 11pm to 8am. If you plan to party past 11pm, this is not the campground for you! The playground closes at 10pm; please make sure your children are aware of this. After 11pm and before 8am, children must be at their campsite or with their parents.

Road Safety Two and three-wheeled motorized vehicles, which include but are not limited to, scooters and mini-bikes are not allowed on park roadways. Motorcycles, which may be allowed at the discretion of management, must be road licensed, driven by licensed drivers, quiet (deemed such by management) at all times, and able to stay under 5 mph on all park roadways. Please alert us if there will be a motorcycle on your site with your camper. For the safety of our children, our campers and their visitors, the speed limit throughout the park is 5 mph. Bicycles used in the park after dark should be equipped with reflectors and headlights. Children riding bicycles should be instructed of proper road safety-chasing, racing, etc is dangerous. Cedarlane will not be held responsible for bicycles, riders or accidents caused by negligence, improper operation or any other causes.

Pools Open between Memorial Weekend and Labor Day Weekend, swimming is at your own risk; there is no lifeguard. The adult "relaxing" pool is for persons 18 years of age or older (there are no exceptions, please do not ask). A responsible adult should accompany children in the family pool areas. Proper swimming attire, swimsuits/trunks must be worn in the pools; street clothes will not be permitted. Pool hours are 10am to 10pm; the kiddie pool closes at 8pm. Every pool user or observer in all pool areas must wear a wristband put on by store personnel each day. Management reserves the right to vacate or close any/all pool areas for any reason deemed necessary.

Visitors/Fees All overnight and day visitors must register in the store, obtain a car pass, pay appropriate fees and park in visitor lots. Day visitors not using the pools will be charged \$2.00 per person per day. Any visitor using any of the pool areas will be charged an additional \$3.00 per person per day (a wristband will be put on each pool user or observer by store personnel). Overnight guests will pay \$3.00 per person per night. Rental unit overnight guest fees are \$5.00 per person per night. Hanging car passes, which are non-transferable, must be displayed on the rearview mirror for re-entry into the park. No person will be allowed to enter the park to visit a registered guest past 10pm. Please note that the visitor gate (far right gate) is operational from 9am to 10pm. The call box will not be answered during that time. Cedarlane reserves the right to limit the number of visitors and/or vehicles to any campsite.

Cedarlane reserves the right to refuse the rental of a campsite or entrance into the park, the right to tell anyone to leave as a result of a violation of these rules or anything else deemed appropriate by management for his/her removal from the park without refund. We are a family RV Park-the rules above have been designed to aid in your camping safety and foster consideration for your camping neighbors. We hope that your stay will be an enjoyable one and that you will want to return often. These rules may be subject to change without written notice. Thank you.
