

## **PARK INFORMATION AND PROCEDURES**

### **PARK INFO**

The park's GPS address is listed above. In addition to the website, current information can be found on Cedarlane's Facebook or Instagram page. The park is open from May 1<sup>st</sup> until October 15<sup>th</sup> and offers both seasonal and transient camping for RVs, and Cabin/Park Model rentals. Cedarlane is a family-owned business, and we are passionate about providing a high-quality experience to those who camp with us!

### **SPEAK WITH US!**

Our main goal is to offer a safe, clean, family friendly experience. If something is not to your liking, or you notice something that we've missed, please contact the office to let us know immediately! While positive online reviews are very much appreciated, so is being provided the opportunity to correct any displeasures prior to posting. Mistakes or deficiencies are usually the result of a simple and honest misunderstanding or mistake that could have been rectified had we been made aware. Please allow us the opportunity to assist you if we happen to miss that mark! 419-797-9907

### **CAMP STORE**

Store hours may vary, but it is typically open until 10pm unless posted otherwise. We offer a wide variety of convenience items, snacks, toiletries, toys, gifts, souvenirs, Keno & Ohio Lottery, and Cedarlane merchandise. The snack bar offers specialty coffees, snacks, and hand-dipped ice cream. There is also a wide variety of beer, wine, and hand-crafted cocktails. We also have a propane station and sell firewood by the bundle or tractor bucketful. An ATM is available during store hours.

### **POOL AREAS**

The heated pools are open Memorial Day weekend - Labor Day weekend, 10am - 8pm, weather depending. The adult pool is for guests ages 18 and older. All pool users must acquire a wristband from the store daily and wear proper swim attire. Access to pools is included for those listed on a campsite reservation. Any registered guests not listed on a reservation may purchase a pool pass. Smoking or vaping, glass bottles, and pets are prohibited in all pool areas. No lifeguard is on duty – swim at your own risk. We recommend everyone, especially children, swim accompanied. We reserve the right to deny access to anyone or to vacate the pools for any reason. An emergency phone is located under the covered patio.

### **BOATS & FISH CLEANING**

The office will assign a boat space for an additional fee and provide you with a tag to display on your trailer near the hitch. The fish cleaning area is for registered guests only. Fish waste must be in tied bags and disposed of in the fish freezer and **NOT** in park dumpsters. Please do not clean fish at your site.

### **GUESTS**

Cedarlane reserves the right to limit the number of guests and/or vehicles in the park or at a site. Guests may register only during the posted store hours - please make your guests aware of this policy. We ask that you pre-register your guests with the office, as personnel will not permit entrance to guests if we do not have prior permission. Either meet your guest in the office to register them or call ahead. All guests must park in overflow parking areas and abide by campground rules and procedures. Guest fees may apply and do not include pool access. See "*Pool Areas*" for more information.

### **VEHICLES & ROADWAYS**

Cedarlane will not be held responsible for accidents. Please use caution and maintain the 5MPH speed limit. All vehicles must have a current Cedarlane car pass or sticker visibly posted on the lower right corner of the windshield. A gate card may be assigned to any guest on your reservation or agreement who pays a deposit for the card. Do not allow others to use your card, even if they have one that isn't working - there is a reason it is invalid. Misuse of the card may result in termination of your reservation or Campsite Use Agreement. Past due balances will result in deactivation of gate cards and access to the pools until the balance is paid in full. Golf carts are no longer permitted. The existing golf carts in the park are permitted on a part-time basis. They may not be transferred to another owner or site. Allowing other guests to use your golf cart may result in removal of the cart without refund of the golf cart fee and may result in termination of your reservation or Campsite Use Agreement. There is a separate Golf Cart Policy that registered guests will receive at the beginning of every season. The golf cart may not be used until this policy is signed and filed with the office along with proof of insurance.

### **RESTROOM & SHOWER BUILDINGS**

Public restroom and shower buildings are located throughout the park. They are maintained regularly by grounds staff; however, if something needs immediate attention, please notify the office and we will address it.

### **PARK TRASH RECEPTACLES**

Located throughout the park, these receptacles are for day-to-day trash only. Large items, chemicals, metal objects, batteries, etc. are not to be disposed of in these receptacles. Set bagged trash at the road every morning, no later than 10am, and staff will pick it up for you. Please do not leave trash out overnight so as to avoid attracting pests.
